## VINEYARDS

### DIRT TO GLASS

As a phrase, 'dirt to glass' may lack the romance of typical 'wine-speak', but it has a compelling purpose to it – to tell the story of a particular wine, and the passage that it has taken from the vine to the glass.

*We hope you enjoy your journey with our wines.*

## BLACK LABEL SHIRAZ GRENACHE MATARO

### VINTAGE

2017

### REGION

Barossa Valley

### TASTING NOTE

Aromas of ripe raspberry and red currants, juicy mid-palate of black cherry and blood plum; all leading to a soft textured finish.

### FLAVOUR MATCH

Could be as simple as a charcuterie board, but it also wouldn't be a stranger to pizza and pasta, or any of the classic tomato-based Italian favourites.
