DIRT TO GLASS

As a phrase, 'dirt to glass' may lack the romance of typical 'wine-speak', but it has a compelling purpose to it – to tell the story of a particular wine, and the passage that it has taken from the vine to the glass.

We hope you enjoy your journey with our wines.

WHITE LABEL ROSÉ

VINTAGE

2018

REGION

Barossa Valley

TASTING NOTE

Jumping out of the glass and immediately appealing; this dry Grenache Rosé displays notes of freshly picked strawberry and raspberry, underpinned by rose petal and jasmine. Red apple skin, rhubarb and nectarine coat the palate, all leading to a crisp and fresh strawberry-like mouthfeel.

FLAVOUR MATCH

A perfect aperitif for a summer's day or as a balanced accompaniment to salad leaves, ripe tomatoes, olives, fresh salty cheeses and curds. A Greek salad would be perfect!
