DIRT TO GLASS

As a phrase, 'dirt to glass' may lack the romance of typical 'wine-speak', but it has a compelling purpose to it – to tell the story of a particular wine, and the passage that it has taken from the vine to the glass.

We hope you enjoy your journey with our wines.

WHITE LABEL SEMILLON

VINTAGE

2018

REGION

Barossa Valley

TASTING NOTE

Fragrant aromas of lemon curd, green apple and nectarine with hints of freshly cut grass. The light and zesty palate is filled with intense flavours of lemon and granny smith apple, giving way to long clean finish with mineral-like acidity.

FLAVOUR MATCH

Perfect match with grilled white-fleshed fish or our favourite; pan-fried scallops. For textural crunch, add fresh raw vegetables to the mix. Chicken dishes in creamy sauce would also pair very well.
