### DIRT TO GLASS

As a phrase, 'dirt to glass' may lack the romance of typical 'wine-speak', but it has a compelling purpose to it – to tell the story of a particular wine, and the passage that it has taken from the vine to the bottle.

We hope you enjoy your journey with our wines.

## BLACK LABEL CABERNET SAUVIGNON

### VINTAGE

2018

### REGION

Barossa Valley

### TASTING NOTE

The pleasing glow of blackberry leaves and eucalyptus aromas, is supported by black fruit and blackcurrant. This is paired with a well-rounded palate of black forest fruits and christmas spices bursting from the glass; refined cinnamon and clove are underpinned by a hint of cedar.

### FLAVOUR MATCH

The youthful approachability right from first mouthful makes this wine a very versatile number; barbequed or roasted meats or Italian pasta dishes. The ripe fruits, tannic structure and herbaceous notes brighten up an array of hearty and rich dishes.
