

MURRAY STREET

VINEYARDS

Our Greenock Estate vineyard hosts 200 acres of hillside vines producing outstanding Shiraz, Cabernet Sauvignon, Grenache and Mataro grapes. At the top of the hill sits our five peaked Chateau, where grapes are crushed and then fermented; thus, beginning the process of making small-batch Barossan artisan wine.

It's a blessing to make wine here.

RED LABEL CABERNET SAUVIGNON

VINTAGE

2018

REGION

Barossa Valley

COLOUR

Appealing deep red with a dark red core.

AROMA

Deep seated red fruits with hints of fresh plum and red currant. Herbal notes of fresh mint, dried eucalypt and tomato bush.

PALATE

Fresh and vibrant fruit provides palate, energy & youthfulness. Red fruit with flashes of fresh plum and the merest hint of blueberry.

Tannin structure is relatively soft for the variety, but gently builds along the length of the palate, finishing with a slightly savoury structure.

Oak is barely noticeable and well-integrated into the framework of the wine. Herbal complexity is characterised by notes of mint-leaf, eucalypt, fresh basil and tomato leaf.
