

# MURRAY STREET

## VINEYARDS

Our Greenock Estate vineyard hosts 200 acres of hillside vines producing outstanding Shiraz, Cabernet Sauvignon, Grenache and Mataro grapes. At the top of the hill sits our five peaked Chateau, where grapes are crushed and then fermented; thus, beginning the process of making small-batch Barossan artisan wine.

**It's a blessing to make wine here.**

## GOMERSAL ESTATE SHIRAZ

### VINTAGE

2018

### REGION

Barossa Valley

### COLOUR

Deep dark crimson with a black core.

### AROMA

Aromatically quite lifted with notes of blueberry & dark cherry. Notes of fresh mint round out the nose.

### PALATE

Fuller and quite intense through the uptake, turning savoury and mineral-accented through the finish. Fruit is punctuated with gently rolling florals of rose and lavender.

### TANNINS

The oak influence is felt but gives way to savoury tannins with ample, but well integrated impact. Mineral notes through the finish define this wine. A wine of real style and structure.
