

MURRAY STREET

VINEYARDS

Our Greenock Estate vineyard hosts 200 acres of hillside vines producing outstanding Shiraz, Cabernet Sauvignon, Grenache and Mataro grapes. At the top of the hill sits our five peaked Chateau, where grapes are crushed and then fermented; thus, beginning the process of making small-batch Barossan artisan wine.

It's a blessing to make wine here.

WHITE LABEL SEMILLON

VINTAGE
2020

REGION
Barossa Valley

COLOUR
Very light straw with a slight green hue.

NOSE
Wonderfully fragrant notes of passionfruit skin, fresh spring grass, lemon pith and suggestions of dough.

PALATE
Brimming with energy, the palate exudes fresh bright tropical notes. The acid is taut and cleansing, providing a mouthwatering sensation that draws you back for more. Gentle textural inputs from some skin contact and oak maturation add some pithy phenolics. Freshness and energy is the theme.
